

*DaVinci Welcome Tara Garland!*

DaVinci is pleased to Welcome Tara Garland to our team of collaborators. Tara joins DaVinci as Project Manager where she will be instrumental in the planning and execution of development projects, including collaborating with design professionals, owners, and consultants to deliver projects from inception to conclusion. A highly accomplished project manager, Tara recently served as an Analyst with Secretariat International and previously worked with CA South LLC as an Assistant Project Manager. In addition, Tara led Lean Six Sigma Black Belt initiatives at Eastman Chemical Company, where she also worked as a Mechanical Engineer. Tara earned a BS in Mechanical Engineering as well as a MS in Real Estate Development from the Georgia Institute of Technology where she was a Finalist in the 2018 Urban Land Institute Competition.
