

DUSTIN HEIZER
Senior Construction Manager

Dustin Heizer, collaborator of DaVinci Development Collaborative, LLC, brings more than 20 years of experience across a range of issues in his work as an environmental consultant focused on the natural and built environment.

Dustin is the President and Founder of Reliance Consulting Company, an environmental, management and strategy practice. He values building and maintaining business relationships and strategic partnerships.

Education

Mercer University - Bachelor
of Science, Environmental
Systems

Dustin has a B.S. in Environmental Systems from Mercer University's School of Engineering and has an environmental, health and safety certification. He has had the opportunity to work on multiple high-profile redevelopment projects in metro Atlanta including Assembly Atlanta, Porsche Cars North America, Rodney Cook Park, Proctor Creek Strategic Implementation Framework, Atlanta BeltLine, City of Atlanta Brownfields Program, and Atlantic Station. He has served on the Georgia Environmental Conference (GEC) steering committee, the Institute for Georgia Environmental Leadership (IGEL) board and is a past President of the Georgia Brownfield Association (GBA).
